Greater Noida, Uttar Pradesh, India | +91 75084 39653 | kumarpriyanshu172004@gmail.com

PROFESSIONAL SUMMARY

Motivated Computer Science student currently pursuing a B.Tech with a completed Diploma in Computer Science & Engineering, possessing a solid foundation in programming and software development. Proficient in Python, Django, and application development with strong problem-solving capabilities. Knowledgeable in computer networking concepts including OSI/TCP-IP models, protocols, network security, and troubleshooting, alongside cloud computing fundamentals and data analysis using Microsoft Excel. Eager to apply strong technical fundamentals and analytical thinking to contribute effectively to an entry-level software engineering or technical role.

TECHNICAL SKILLS

Programming Languages: Python

Frameworks & Tools: Django, Microsoft Excel, Data Analysis, Git

Cloud & Networking: Cloud Computing Fundamentals, OSI/TCP-IP Models, DHCP, Port Numbers, Network Security, Troubleshooting

Operating Systems: Windows

PROJECTS

CRUD Application **Feb 2024**

Developer (Python, Django)

- Developed a fully functional user input/output CRUD application using Python and Django.
- Implemented core create, read, update, and delete operations with structured database integration.
- Designed clean backend workflows and user-friendly interface templates.

SuperShop **Personal Project**

Developer (Python, Django)

- Built a shop management system utilizing Python and Django framework principles.
- Applied database-driven application design to handle inventory items, user records, and transaction logs.
- Ensured smooth backend logic execution and secure data management.

EDUCATION

B.Tech, Computer Science & Engineering (Appearing) **Present**

Mewar University, Chittorgarh, Rajasthan

Diploma, Computer Science & Engineering **2025 | Grade: 72%**

Govt. Polytechnic College, Firozpur

CERTIFICATIONS

Training in Python **Aagaz Training Center**
